

What is Wild for Cats?

Wild for Cats is the **Academic** Booster Club for Lake Highlands High School, the 21st Century School of Champions. It is open to all Lake Highlands' families, community members, and organizations in support of academic excellence. It is different from the Wildcat Club, which is the *Athletic* Booster Club for Lake Highlands High School.

What does Wild for Cats do?

Wild for Cats raises funds to provide teachers and students with extra support and resources needed to achieve academic excellence.

How will your donation support Academics at LHHS?

Each year we work with the LHHS administration, staff, and parents to identify specific needs that will enhance learning opportunities, resources, and professional growth. Fundraising goals relate to items such as:

- Classroom instructional resources
- Department "wish lists"
- Field trips and experiential learning opportunities
- Modular furniture to promote collaboration
- Standardized test registration
- Test preparation support and online study aids
- Student and staff recognition programs
- Staff professional development such as training and conferences
- *Evening of Champions* student academic recognition event
- And more!

Visit www.WildforCats.com for more information.

How can I help? Donate today!

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Email: _____
